

Every Day is Earth Day/Let it Grow

Every day is Earth Day
Pick up the trash around you
Reduce, reuse, recycle
That's what you gotta do
We all have a role to play
So let's clean the Earth today

Plant a seed inside the earth
Just one way to know its worth
When we celebrate the world
Celebrate the world
Come on and celebrate the world
Celebrate the world

Every day is Earth Day
Go out and plant a tree
Take a walk instead of driving
There's no gas, it's free!
We all have a role to play
So let's clean the Earth today

All you gotta do
Every little thing you do
(All you gotta do)
Is live your life, be true
Keeps the planet green and blue
(Live your life, be true)
And never be afraid
Never be afraid to
Grow, grow

It don't matter how you got it
It's yours now don't you hide it

Let it grow
Every day is Earth Day
Let it grow
Every day is Earth Day

Let the love inside you show it
Just one way to know you're worth it

Let it grow
Every day is Earth Day
Let it grow
Every day is Earth Day

Rap

All you gotta do
Every little thing you do
(All you gotta do)
Is live your life, be true
Keeps the planet green and blue
(Live your life, be true)
And never be afraid
Never be afraid to
Grow, grow

It don't matter how you got it
It's yours now don't you hide it

Let it grow
Every day is Earth Day
Let it grow
Every day is Earth Day

Let the love inside you show it
Just one way to know you're worth it

Let it grow
Every day is Earth Day
Let it grow
Every day is Earth Day

Let the love inside you show it
Just one way to know you're worth it

Let it grow
Every day is Earth Day
Let it grow
Every day is Earth Day

So clean the Earth today
