

Dream What Could Be Done

music by Matt Glickstein

lyrics by Class of 2020

C F C G

Verse 1:

Am F
Look all around us, what do you see?
C G
People sitting on the street
Am F
It's so helpless, what can we do?
C G
Come on, everyone let's think
F C
They're lonely, let's give them love
E7 Am
They're hungry, let's give them food
F C F G
They're people too, there's lots we can do!

Chorus:

C F C G
If we could change the world
C F G C
Help all the boys and girls
C F C G
Take care of everyone
C F G C
Now our job has just begun
Am E7 C D7
See all the stars, and look at the sun
F G
And dream what could be done

Verse 2:

Am F
Just imagine if it were you
C G
What would you want us to do?
Am F
If you lived in a world where nothing was free
C G
We need to help, can't you see?

F C
 They're lonely, let's give them love
 E7 Am
 They're hungry, let's give them food
 F C F G
 They're people too, there's lots we can do!

Chorus

Solo

Bridge:

F C
 Let's share the things they need
 F
 Clothes, toys, shoes
 C
 And books to read
 Dm
 So give a little,
 Fm G
 'cuz they've got families to feed

C F C G
If we could change the world
C F G C
Help all the boys and girls
C F C G
Take care of everyone
C F G C
Now our job has just begun

Chorus
